Highway 28 Cleanup Team

Purpose

The purpose of the Highway 28 Cleanup Team is to walk and pick up trash from both sides of a 2-mile stretch of Highway 28 twice a year.

Membership

The Highway Cleanup Team consists of at least 9 CUUF members or friends. Staff support is provided to the team by the Washington Department of Transportation.

Commitment

While there are some regular participants, the activity is open to any volunteers who want to help and are physically capable of walking on level to steep terrain for 2-3 hours.

Responsibilities

- Lead picks a date, usually a Saturday morning in the spring and reserves that date with WSDOT for the necessary equipment. Then the lead sends out emails to previous crew members, plus advertises the date through the CUUF newsletter/bulletin.
- The process is repeated in the fall. We currently meet at BJ's Truck Stop parking lot to organize the day's activities, since our 2-mile stretch starts there on Highway 28 and goes east.
- CUUF agrees to clean both sides of a 2-mile stretch of Highway 28, twice a year, in exchange for having our name 'Cascade Unitarian Universalist Fellowship' on the Adopt-A-Highway signs posted on both sides of the highway by WSDOT.

Reporting and Review

- This is handled by WSDOT Adopt-A-Highway staff.

2021-2022 Leads: Jeff Lau and Leroy Farmer
